## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Contact Person: Amy Barker

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation sets specific computer program standards and information submission guidelines for the Kentucky Missing Child Information Center.

(b) The necessity of this administrative regulation: This regulation ensures compliance by setting forth the appropriate standards.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This regulation provides the standards necessary for submission of information.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This regulation provides guidance to law enforcement by updating the defined terms in the Chapter.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment will clarify the existing language of the administrative regulation and include requirements for submission.

(b) The necessity of the amendment to this administrative regulation: The previous language was unclear and not completely defined within the relevant sections of the text.

(c) How the amendment conforms to the content of the authorizing statutes: The amendment further clarifies the language of the regulation and the Chapter.

(d) How the amendment will assist in the effective administration of the statutes: The clarified language allows for the relevant agencies to have clear guidance on the administration of the Chapter.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: The Department of the Kentucky State Police, and all law enforcement and criminal justice agencies which submit or receive information through the Kentucky Missing Children Information Center.

(4) Provide an analysis of how the entities identified in the previous question will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions each of the regulated entities have to take to comply with this regulation or amendment: The amendment does not require the regulated entities to take any action separate and apart from the previous language of the regulation, instead, the amendment clearly defines the scope of the audit.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities: Nothing.

(c) As a result of compliance, what benefits will accrue to the entities: The regulated agencies will have more clearly defined guidance on the scope of the audit, and can more effectively ensure compliance with the applicable regulations and procedures.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: None.

(b) On a continuing basis: None.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Not applicable.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase is necessary.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: The amendment of this administrative regulation does not establish any new fees or increase fees, directly or indirectly.

(9) TIERING: Is tiering applied? No. Tiering was not appropriate in this administrative regulation because the administrative regulation applies equally to all those individuals or entities regulated by it.
